The tender must be enclosed in double envelopes, the inner envelope being sealed and superscribed ''Tender for the construction of 20 Double ''K" type cottages or 15 Double Workmen's Blocks or Part tender for ''K" or Double Workmen's blocks" as the case may be.

2. The total estimated cost of the buildings will be about Rs. 2·4 lakhs.

3. The tenders will be opened immediately after 4 P.M. on the date noted above in the presence of such of the tenderers as may be present then at that place.

4. The plans can be seen at the Office of the Secretary, Board of Management, during working hours.

5. Abstract specification of the tender are noted in the schedule enclosed.

6. The estimate of quantities is approximate and cannot be guaranteed. The quantities will be increased or decreased according to the requirements of the Works.

7. The work should be completed strictly within eight months from the date of award of contract.

8. Tenders should be submitted only on the copies of Tender Forms which can be had from the undersigned on payment of Rs. 10 for each Tender, which will not be refunded. Separate tenders may be sent up for each work.

9. Tenders must be quoted on rate basis only. Tenders without specific rates quoted will be rejected.

10. Quotations must be given both in words and in figures and they must be per specific terms of units shown against each item of work. Over-writings and corrections shall be avoided.

Tenderers may quote either for the entire set of buildings or for part of the above buildings.

11. Each tender shall be accompanied by a receipt for a deposit as stated above in cash or Government Promissory Notes as earnest money, which should be paid to the Chief Accountant, The Mysore Iron and Steel Works, Bhadravati. Cheques will not be accepted. On no account will any adjustment be made towards earnest money from the amounts, if any, at the credit of the contractor at the Works.

12. The final acceptance of the tender will rest with the Secretary to Board who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender. The Secretary to Board reserves the right of splitting the tender among one or more tenderers, if he considers it expedient to do so.

13. Within eight days of the acceptance of the tender, the successful tenderer shall deposit in the Works a sum equal to the earnest amount agreeing to a deduction of 5 per cent out of his bills for work done to make up the balance of security deposit at 5 per cent of the value of work entrusted which would be returnable only at the time of the final settlement of claims, and execute an agreement on proper stamp paper in favour of the Works, in default of which, his tender will be cancelled and and his earnest money forfeited to the Works. No contract binding the Works shall be considered to have been made until a proper agreement is executed in favour of the Works by the contractor as stated above.

14. The name of the successful tenderer will be posted on the Works' Notice Board. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

15. On acceptance of the tenders, the earnest money of rejected tenders will be returned.

16. Rates once tendered will not be enhanced on any account.

General Conditions of the Contract.

17. The contract shall not be sublet.

18. The contractor or his agent shall be at the works spot and work as per instructions of the Officer-in-charge.

19. Rates for non-tendered and non-estimated items shall be fixed by the Secretary to Board after scrutiny of available data and fixing not more than 10 per cent for contractor's profit.

20. Bills will be generally prepared and paid once a fortnight. No advance of any kind will be paid.

21. If the contractor fails to abide by the terms of the contract at any time during the currency thereof, or if the Secretary to Board has any reason to believe that the contractor's work is not satisfactory and that the interests of the Works are thereby affected in any way, the Secretary to Board may levy fine or arrange for the work being done through any other agency, in which case the contractor shall forfeit the security deposit and shall make good to the Works any loss by way of extra cost, etc., which arises therefrom.

22. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Secretary to Board shall be final and legally binding.

23. The contract may be cancelled at any time by the Secretary to Board, if conditions require it, giving a notice of two weeks to the contractor and the Works shall not be liable for any damage on that account to the contractor.

24. A penalty of ½ per cent of the total value of the work will be levied for every week's delay in case of failure to complete the work within the time specified in clause 7.

Special Conditions.

The Contrator shall be liable to pay all royalties chargeable on Government materials required for work.

2. All work done, and all materials used by the Contractor shall be of quality approved by the Secretary to Board or any Officer duly deputed by him to supervise the work.

3. The Contractor shall be liable to make good all damages caused by him or workers under him to the Works or other property during the execution of work.

4. The Contractor shall level the site and the place of the work and remove all his materials within a fortnight after completion of the work, failing which the Secretary to Board or any officer duly deputed by him may get this done by other agency and the Contractor shall be liable to pay the expenses incurred.

5. The Contractor shall provide all requisites, plant and thoroughly intelligent agency for the execution of the work, failing which the Secretary to Board or any officer duly deputed by him may supply such machinery or agency as he may consider desirable at the cost of the Contractor. The Contractor shall remove such machinery and agency as the Secretary to Board or any officer duly deputed by him may object to.

6. The Contrator shall furnish free of charge all labour and tools required for such examination as the Secretary to Board or any officer duly deputed by him at any time may consider it desirable, failing which the Secretary to Board or any officer duly deputed by him may have this done at the Contractor's cost.

7. The Secretary to Board or any officer duly deputed by him to supervise the work shall have power, at the cost of the Contractor, to remove, complete or replace any work or material which is not in accordance with the specifications.

8. On the completion of the work, the Contractor or his authorised representative shall attend and help the Secretary to Board or the officer duly deputed by him to take final measurements and sign the final bill within one month, failing which the measurements taken by the Secretary to Board or any officer duly deputed by him shall be considered final and payment made accordingly and the Contractor shall have no further claims against the work.

9. The concrete shall be laid in day-light hours.

9 (*a*) Water supply for the construction will be given by the Works free of charge; but the Contractor will be responsible for the safety of the temporary pipe line and fittings.

10. The Contractor shall furnish his address to which all communications having reference to this agreement may be addressed. The Works will not be responsible for non-delivery of letters posted to the address given by the Contractor.

11. "Chamundi" Brand Cement shall be used.

12. The Contractor shall agree to the recovery of all his dues to the Works against this contract primarily from his work bills, relating to this contract—apart from other legal courses open to the Works to recover the same.

13. Cement and mild steel sections required for this work and countersigned by the Civil Engineer, will be sold by the Works to the Contractor at the prevailing rates.

14. Other stores materials and materials under Iron and St Control, if available at the Central Stores, will be issued at rates prevailing at the time of issue, with the usual 7½ per c supervision charges, for the *bona fide* use of the Works.

15. Departmental doors and windows to the extent availa will be issued as also doors and windows obtained from t Hindustan Aircraft, Limited, for interior of the buildings.

16. If size stones other than those from Birur area are us a reduction of 5 per cent in the tender rate for size-stone co struction will be made.

17. The type of building is subject to modification as p requirements.
